LOCATION

Hidden Valley Country Club is located at 3575 East Hidden Valley Dr. in Reno (89502). The phone number to the club is (775) 857-4735. The phone number to the pro shop is 857-4742. The web site can be accessed by clicking here: www.hvccreno.com.

GENERAL INFORMATION

1a. State TEAM Qualifying: The top two (2) teams out of the 4A Northern Region, the top two (2) teams out of the Sunrise Region and the top two (2) teams out of the Sunset Region, based on results from the region championship / state qualifying tournaments, advance to the 2008 NIAA Class 4A Nevada State High School Girls Golf Championship tournament, presented by the Las Vegas Review-Journal and Farmers Insurance Group.

1b. State INDIVIDUAL Qualifying: The top five (5) individuals from non-qualifying teams out of the Northern Region, the top five (5) individuals from non-qualifying teams out of the Sunrise Region and the top five (5) individuals from non-qualifying team out of the Sunset Region, based on region championship / state qualifying tournament results, also earn berths in the 2008 NIAA 4A state girls golf tournament.

2. Teams will consist of a maximum of six (6) players and must have a minimum of four (4) scorecards signed and turned in after each round in order to post a team score.

3. This state championship tournament will be a two-day, 36-hole event. A team's best four (4) scores each day will count toward determining the team score. Players must turn in a signed scorecard after each round in order to qualify for individual honors.

4. This state championship tournament will be governed by the USGA's "2008 Rules of Golf" book, the NIAA Handbook, the NIAA Reference Manual, this information packet and the local rules sheet (if available) published specifically for this tournament. This tournament information packet is a binding document for the rules and regulations of this tournament.

5. No practice round will be permitted. Any team and/or individual playing the course within a seven-day blackout period (October 13-19) prior to the start of the tournament will be penalized as follows:

- a. A two-stroke penalty will be assessed to any individual playing the course during the blackout period. Individual members of the hosting club (in the case of a private club or annual membership) are NOT exempt from this penalty.
- b. A eight-stroke penalty (two per scoring team member) will be assessed to teams playing the course during the blackout period. However, a school / team which uses this course as its designated home course IS exempt from this restriction.
- c. A school may not host a tournament at this course during the blackout period.
- d. Playing the course is defined as making an attempt at / playing a stroke from any point on the course, including but not limited to testing the conditions using equipment such as a club and/or ball (see No. 11).

6. SUNDAY ARRIVAL – Hidden Valley is a private country club and will NOT be open for public viewing / practicing on Sunday or at any other time during the blackout period. Thus, the course is NOT open for play, practice NOR walking preview. In essence, the entire golf course IS CLOSED TO HIGH SCHOOL TEAMS. ***The penalty for violating this regulation is outlined in No. 5.***

6b. COACHES MEETING & PACKET PICK-UP – ***Since the golf course is COMPLETELY CLOSED during the seven-day blackout period, including on Sunday, October 19, a mandatory coaches meeting (packet pick-up) will be held outside the pro shop at 7:00 a.m. Monday.*** We will review the local rules sheet created specifically for the state tournament.

7. Absolutely no substitutions will be allowed after the start of the tournament, even in the case of injury and/or illness. A team may play with four or fewer players, but it must have four scorecards signed and turned in after each round in order to post a team score.

8. First-round tee times will be based on the “team” concept and final-round tee times will be based on the “individual” concept. Please see page 5 for an explanation of the tee time formula (including an example grid).

9. In the case of inclement weather, darkness or any other unforeseeable delay(s) on the first day of competition, any player not completing the first round shall finish the following morning. The second / final round of the tournament shall begin after all players have completed their first round. It is, however, always the tournament director’s discretion to complete the first round and start the second round as needed depending on weather, darkness or any other unforeseeable delay.

Should weather, darkness or any other unforeseeable delay not allow for the completion of the second / final round, final team and individual scores will be based on the results, in order, of a) the 27-hole totals, b) the 18-hole totals or c) the 9-hole totals, provided every competitor has completed that 9-hole increment.

10. Monitors will not be permitted to give rulings. All rulings will be made per the tournament and/or golf course staff. Please refer to the Monitor’s Guidelines sheet contained on the NIAA web site.

11. Class 4A Nevada High School Golf Coaching Regulation:

IV. (Class 4A) ON-COURSE COACHING REGULATION

Coaching is permitted in the 4A region and state golf tournaments (effective 2005 spring boys golf season). Coaches and players must adhere to the following criteria:

1. Coaching will be permitted between holes only (defined as after a specific player has holed out and/or before she has struck the ensuing tee shot).
2. The coach must be approved through his/her respective school, administration and/or district. The coach will be required to wear/display a nametag/badge identifying him/her as the approved on-course coach.
3. Only one (1) coach may coach during the event.
- 3b. In the spirit of the coaching rule, players are at no time to be coaches. Once a player has completed her round, she shall become a spectator (subject to the restrictions of a spectator and fellow competitor) and will thus not be permitted to offer advice to teammates still out on the course. The penalty for offering advice to a teammate or any other competitor while play is in progress shall be two strokes per incident in accordance with the USGA’s rule book as determined by the tournament director and verified by the tournament's rules committee.

4. It is imperative that coaches do not slow the pace of play. Slow play will be penalized as per USGA rules.
5. No teaching aid or other technology – ***other than USGA-approved distance measuring devices*** – will be allowed on the course. This would include, but not be limited to, radios, cell phones, video cameras, etc.

If a coach violates any of these rules, he/she will be asked to immediately return and remain at the clubhouse. The school will then lose all coaching privileges for the remainder of the tournament.

GENERAL INFORMATION CONTINUED:

12. Spectator Regulation: Spectators are permitted to follow play and be around the course, but are NOT permitted to offer advice to a player during a round. Spectators must sign the NIAA Spectator Release/Waiver/Rules acknowledgement form prior to entering the course proper.

13. The NIAA would like to greatly encourage all competitors, coaches, teams and spectators to say “thank you” to the Hidden Valley Country Club staff (Ann Marie Sear, General Manager; Kelly Manos, Director of Golf; Ward Sutton, Head Professional) for its generous donation of this course for the state championship tournament.

2008 Girls Golf Policy

I. POINTS OF EMPHASIS FOR GIRLS GOLF, 2008

1. Girls golf will, effective with the 2008 (fall) season, follow a “play six (6), score four (4) team format.”
2. Distance measuring devices, per USGA and local association guidelines, are now permitted in all high school play (including league/region and state tournaments). ***Other technology (including, but not limited to, mobile phones, music players and the like) is NOT permitted for use during a competitor’s round. The penalty for using illegal technology is, in the first incident, two (2) strokes and, in the second occurrence, disqualification.***
3. Motorized (i.e. electric and/or gas operated) carts will not be permitted during high school play unless a) they are afforded to all players in the field, b) the tournament staff announces shuttling will be provided at certain areas of the course and/or c) an appeal by school personnel is verified with an accompanied medical documentation. ***Pull / Manual carts are permitted in all high school play.***

TEE-TIME FORMULA (threesomes)

First-round tee times will be based on the “team” concept and second/final-round tee times will be based on the “individual” concept.

First-round tee times will have the region team champions matched together in the first three groups (Northern Team A, player 1; Sunrise Team A/B, player 1; Sunset Team A/C, player 1) based on the finishing results in the region tournaments. The region team runner-ups will be matched together in the second three groups (4-6 tee times). The top three region individual placers will be paired together in the third set of three groups (7-9 tee times). The region team champions will again be matched together in the fourth set of three groups (10-12). The region team runner-ups will again be matched together in the fifth set of three groups (13-15). The remaining two region individual qualifiers will be paired together in the final two groups (16-17).

Second-round tee times will be based on the individual results of the first round with the leaders going off in the final group(s). This will be in reverse order. However, the Tournament Director will make every attempt to avoid teammates playing in the same group.

VI. IN-MATCH / TOURNAMENT TIE-BREAKER

1. Ties involving teams during tournament play:
 - A. The aggregate stroke score of the **four (4)** lowest 18-hole scores for each team, (each day), shall constitute their school's team score. Ties for the championship and/or runner-up trophies will be handled in accordance with NIAA playoff procedures described below.
 1. If the total of the low **four (4) scores** (each day) results in a tie after 18/36 holes, the lowest (two-day total) score of the **fifth** person(s) on the team will determine the winner. It is possible in a two-day tournament that the **fifth-place** finisher could be two different team members. If one team does not have a **fifth** score and the other team does, the team with the **fifth** score wins.
 2. ***If the tie remains after step A-1, the tied teams will follow the same procedure comparing the scores of the sixth-place finisher.***
 3. If the **sixth** person(s) are also tied, all six players from each team will play one hole of sudden victory. Each team will count its lowest **four (4)** scores on this hole with the lowest total winning. If the total of the **four scores** are the same, the lowest score of the **a) fifth player and/or/then b) sixth player** on the sudden victory hole will determine the winner. If the score of the **fifth and/or/then sixth** player also results in a tie, the teams will play another hole and proceed with the tie-breaking procedure as outlined in step 1.A.2. This procedure will continue until a winner is determined.
2. Ties involving individual medalists
 - A. Only ties for the (top) medalist (first place) honor will be broken by a sudden victory playoff.

Ties for other medals will be determined by matching scorecards, as recommended by the USGA and outlined below:

 1. The player with the best/lowest score on the back nine, final day only, will earn the higher/better finishing place.

2. If a tie remains, the player with the best/lowest score on the last six holes, final day only, will earn the higher/better finishing place.
3. If a tie remains, the player with the best/lowest score on the last three holes, final day only, will earn the higher/better finishing place.
4. If a tie remains, the player with the best/lowest score on the 18th hole, final day only, will earn the higher/better finishing place.

Note: In the event multiple tees are used to start the tournament, the last nine holes will be Nos. 10-18 on the scorecard, the last six will be Nos. 13-18 on the scorecard, etc. At all times, the last nine holes will be represented by Nos. 10-18 on the scorecard.

Note: Tournament golf will follow the rules and regulations of the United States Golf Association, the NIAA Handbook and the NIAA Reference Manual.

Welcome to the 2008

Class 4A Nevada State High School Girls Golf Championship Tournament at Hidden Valley Country Club

1. WEATHER – Please check www.weather.com (search line of Reno / zip code 89502) before your departure and bring along the appropriate clothing.
2. CARTS – Each head coach will be issued a cart. Spectators are welcomed to attend the state tournament, but they will NOT be permitted the use of a cart. We kindly ask that coaches keep the carts on the path(s) at all times.
3. FOOD & BEVERAGE SERVICE – Lunches will NOT be provided. Teams will be responsible for their own food and beverage. Please note the Hidden Valley snack area will NOT be open on Monday (the club is closed).
