GENERAL INFORMATION

1. League Team Qualifying: All teams that are members of the NIAA and are in good standing with the 2A Northern League are eligible to compete in the 2008 NIAA Class 2A Northern League Boys Golf Championship tournament.

2. League Individual Qualifying: Those individuals who are in good standing with their school/team, the NIAA and the 2A Northern League, even if their team does not have a full five-member team, are eligible to compete in the 2008 NIAA 2A Northern League Boys Golf Championship tournament.

3. State Qualifying: The top three (3) teams and the top five (5) individuals from non-qualifying teams out of the 2A Northern League Championship tournament advance to the 2008 NIAA Class 2A Nevada State High School Boys Golf Championship tournament, presented by the Las Vegas Review-Journal and Farmers Insurance Group. The state tournament is scheduled to be played Monday & Tuesday, May 12 & 13, at the Rivers Edge Golf Course in Needles, Calif.

4. The 2008 NIAA Class 2A Northern League Championship tournament is scheduled for a one-day, 18-hole round. A team's best five (5) scores will count to determine the total. Players must turn in a signed scorecard to qualify for individual honors.

5. Teams will consist of a maximum of six (6) players, but teams must have a minimum of five (5) scorecards signed and turned in after the round to post a team score.

6. The 2008 NIAA Class 2A Northern League Championship tournament will be governed by the USGA's "2008 Rules of Golf" book, the NIAA Handbook, the NIAA Reference Manual, this tournament information packet and the local rule sheet published specifically for this tournament. This tournament information packet serves as a binding document for the rules and regulations of the tournament.

7. Pairings & tee times will be determined by the Tournament Director (Steve Maltase, Whittell High School) and be based on regular-season performances.

8. No substitutions will be allowed after the start of the tournament, even in the case of injury or illness.

Should an injury, disqualification, etc. occur, the individuals of a team will still be eligible to compete for individual honors. A team must, however, have five scores posted to compete for team honors.

9. Should weather, darkness, etc., not allow for the (final) completion of the round, final team and individual scores will be based on the results of the 9-hole totals, provided every player in the field has completed 9-holes.

In the event the round has to be postponed, it will be rescheduled for the next possible and available date. Efforts will be made to complete the round.

However, in the event the round cannot be rescheduled and/or completed, final team and individual scores will be based on the 9-hole totals provided every player in the field has completed at least a common nine holes.

In the event the round cannot be played (completed through 9-holes), the regular-season champion, runner-up and third-place team will advance to the state tournament as the league's three representatives / qualifiers.

NOTE: Every effort will be made to achieve a completion of the tournament. The Tournament Director has the authority to make any necessary adjustments / changes to the tournament schedule, site, etc.

10. The individual golfer will be responsible for a competitor's scorecard as well as running a check of his own. Monitors will not make rulings. Monitors are to assist only in the capacity of pace of play and running a check of the scorecard(s). USGA officials / tournament officials / local golf course shop staff will be responsible for rulings. The Tournament Director will designate the ruling body.

11. No coaching will be permitted on the golf course. Coaching will only be permitted before the start of the round, at the turn (between holes 9 & 10), and at the conclusion of the round. Spectators must sign a (non-coaching) release and liability waiver form.

12. No practice round has been scheduled. Any team or individual wishing to play the course at any time prior to the region tournament (the seven-day rule is not in effect) should make arrangements by calling the golf course.

13. A league tournament cannot be held on the same course as the state tournament.

14. The use of a motorized cart must be approved by the NIAA. Caddies and/or an assistant on the bag are not allowed except during a playoff.

15. No provisions have been made for the coaches to play the day of the championship. Coaches are asked to be present at the site of the tournament while play is in progress in case they are needed.

QUESTIONS

Please note that pairings and starting times will be determined by Steve Maltase, Tournament Director at Whittell H.S., based on final regular-season individual standings.

Please contact Steve Maltase, Tournament Director and Athletic Director at Whittell H.S., at phone 775-588-2446 / 2420 or at e-mail smaltase@dcsd.k12.nv.us with any general tournament questions.

Please see the following pages for the in-tournament tie-breaker and the tournament entry form.

NIAA LEAGUE TOURNAMENT TIE-BREAKER

I. Boys golf will follow the rules and regulations of the United States Golf Association, NIAA Handbook, NIAA Reference Manual and this tournament information packet.

Ties involving teams during tournament play

A. The aggregate stroke score / total of the five (5) lowest 18-hole scores for each team shall constitute their school's team score. Ties for the championship and/or runner-up trophies will be handled in accordance with NIAA playoff procedures described below.

1. If the aggregate stroke score / total of the low five (5) scores posted for a team results in a tie, the lowest total score of the sixth person on the team will determine the winner. If one team does not have a sixth score total and the other team does, the team with the sixth score wins.

If the aggregate stroke score / total of the sixth person also results in a tie, all six players from each team will play one hole of sudden victory.

In this playoff, each team will count its lowest five (5) scores on the hole with the lowest aggregate stroke score / total resulting in the winner. If the total of the low five (5) scores result in a tie, the lower (lowest) score of the sixth player on the sudden victory hole will determine the winner.

If the score of the sixth players also results in a tie, the teams will play another hole and thus proceed with the tie-breaking procedure as outlined here. This playoff procedure will continue until a winner is determined.

Ties involving individual medalists

A. Only ties for the (top) medalist (first place) will be broken by a sudden victory playoff. Other ties for medals will be determined by matching scorecards, as recommended by the USGA and outlined below:

1. The player with the best/lowest score on the back nine will earn the higher/better finishing place.
2. If a tie remains, the player with the best/lowest score on the final six holes will earn the higher/better finishing place.
3. If a tie remains, the player with the best/lowest score on the final three holes will earn the higher/better finishing place.
4. If a tie remains, the player with the best/lowest score on the 18th hole will earn the higher/better finishing place.

Note: In the event multiple tees are used to start the tournament, the last nine holes will be Nos. 10-18 on the scorecard, the last six will be Nos. 13-18 on the scorecard, etc. At all times, even in the event of a "split tees" and/or "shotgun" start, the last nine holes will be represented by Nos. 10-18 on the scorecard.

Tournament Entry Form

Team and/or individual entries are due to Steve Maltase, 2A Northern Tournament Director and Athletic Director at Whittell High School, by 9:00 a.m. on Monday, May 5 to fax number 775-588-2443 and/or to e-mail smaltase@dcsd.k12.nv.us.
